## **The Sisterhood of the Traveling Pants 2**

The new movie website for the upcoming movie *The Sisterhood of the Traveling Pants 2* has a few things to do on it's website. Here are the top things to keep you occupied while there:

1. For those of you already familiar with the movie, click on the "In Her Own Words" link to get video blogs from Tibby, Carmen, Bridget, and Lena on what they've been up to in the three years since the first movie. Kind of cool!
2. Click on the Brotherhood of the Sisterhood link to meet the four different romances - Leos, Kostos, Brian and Ian. Read about the actors who play them and their real-life bios, then Take The Quiz to see which guy you're most compatible with!
3. Click on the promotions link to be taken to a page with all sorts of sweepstakes and promotions to win trips to Greece, trips to the premiere, and cash!
4. Join the sisterhood as a friend on Facebook and Myspace (sorry, the myspace page is still listed as coming soon).
5. Grab the Shout Out Widget! You can embed the widget and see shoutouts that you have left or your friends have left!
6. Click on Sisterhood 101 to take some polls (such as who is the biggest hottie?)- once you submit your answer you can see how others have answered!
7. Grab a Sisterhood of the Traveling Pants download! Choose from TEN different movie wallpapers, 2 different email signatures, and five different Sisterhood AIM / Buddy Icons.
8. Before you leave, don't forget to read about the movie - especially if you havent seen the first one, looks like you can just pick up fresh on this one! The movie stars Alexis Bledel, America Ferrera, Blake Lively, and Amber Tamblyn, and is about 4 friends that share a tight bond. The movie picks up in the months following their first year of college and we watch them go through romances, choices, and life decisions, all while still trying to keep in touch with each other.
