### **Star Wars Clone Wars Coloring Pages, Crossword Puzzles, Widget**

Is it a New Hope? Or is it the Clone Wars! The new movie website for the movie Star Wars: The Clone Wars is up and has tons of fun things to do! The best thing on the movie website are the Clone Wars Activities Pages! You'll find drawing games, crossword puzzles, coloring pages, and a variety of other fun games available for download right off the site! In the online games category, you'll find a game called "Live Fire" (this is the fun one, be sure to play! you roam around with a gun destroying enemies!) and a game called "Sharpshooter" (practice your sharpshooting!). Just click on the games/ fun link to find them all!

For those of you who like Star Wars history, the Clone Wars website has info on the planets and characters - click on Planets to get all sorts of info and data on Christophsis, Teth, Coruscant, and Tatooine! In the characters section, get all the info on the Star Wars Clone Wars stars - including Anakin Skywalker, Obi-Wan Kenobi, R2-D2, C-3P0, Count Dooku, Yoda, and Chancellor Palpatine.

Tired of reading? Grab the Clone Wars Widget! It has a countdown to the movie and a movie clip!

Before you leave the site, don't forget to read about the movie (a Lucasfilm animated feature film version of Star Wars), watch some trailer and webdocs, and grab a movie download from the huge download selection including a Star Wars Clone Wars Clone Widget, Webskins, iPod skins, desktop wallpapers, and Clone Wars AIM / Buddy Icons!!
